Dear Arts Supporter,

Virginia Regional Ballet, a not for profit organization comprised of Virginia Regional Ballet Academy's most promising student and area professionals will be performing it's 10th annual production of *The Nutcracker Ballet* on December 17th and 18th with The Williamsburg Symphony Orchestra and guest principal dancers from the New York City Ballet at the College of William & Mary to an anticipated audience of 2700. Former artistic director of The Chamber Ballet for 35 years and VRB's artistic director since 2006, Heidi Robitshek's Nutcracker production has been a Williamsburg tradition for over 35 years, each year more magnificent than the last.

We believe Virginia Regional Ballet's commitment to presenting professional, family oriented productions is an asset and a welcome tradition in our community. Partnering with you in bringing to our community *The Nutcracker* accompanied by a live orchestra would be an honor and a privilege. It will be the only one of its kind between Norfolk and Richmond. In addition to 3 public performances, VRB provides 4 condensed educational performances for area school children during school hours. Because of your support, thousands of children each year have the opportunity cultivate their love for classical performing arts.

Virginia Regional Ballet would respectfully like to request your financial support. In exchange for your tax-deductible donation in any amount, your name will appear in our 2016 Nutcracker program. As a special thank you, VRB will send you 2 orchestra tickets for every \$500.00 donated to enjoy at any of our 3 public performances as well as an invitation to the champagne toast with the Sugar Plum & Cavalier, the conductor and the artistic director immediately following the performance.

Thank you for the opportunity to partner with your company as supporters of the arts in our community. We look forward to hearing from you.
