Virginia Regional Ballet, a not-for-profit organization comprised of Virginia Regional Ballet Academy's most promising students and area professionals, will be performing Tchaikovsky's "The Nutcracker" under the artistic direction of Heidi Robitshek. Former Artistic Director of the Chamber Ballet. Ms. Heidi's Nutcracker production has been a Williamsburg tradition *for over 40 years!!* VRB will present an abbreviated version of this Christmas classic at the **Ferguson Center for the Arts** this December. We know that it is difficult to schedule as many cultural arts events for your students as you would like, so let us help you inspire a love for the arts in your students through the magic of this beloved ballet.

This year, our one-hour performances of "The Nutcracker" will be in Williamsburg at the College of William & Mary in the newly renovated Phi Beta Kappa Hall on Wednesday, December 3rd and Thursday, December 4th and in Newport News at the Ferguson Center for the Arts on Thursday, December 18th. All shows will be at 11:00 AM. This shortened version of the Nutcracker story takes place during the magical party when Klara receives her beloved Nutcracker and then several divertissements from the Land of Sweets entertain us. A lively scene follows with the Nutcracker and his soldiers battling the Mouse King and his mice. Finally, the Snow Queen and her King dance with their Snowflakes. Upon arrival into the theater, children will get the unique opportunity to watch the professional technical crew prepare for the show, have a question and answer session with the director and learn about important audience etiquette. **Additionally, teachers are provided an educational packet about the Nutcracker Ballet and musical score that correlates to the SOL's at the elementary level. *All of these aspects combined provide an opportunity to educate and cultivate lifetime arts supporters and to share our passion for the arts to students who otherwise may never see a live performance of the ballet.***

Partial funding from the Williamsburg Area Arts Commission and York County Arts Commission allows VRB to offer reduced rates for school performances; thereby providing the opportunity for students to attend these performances at the reduced rate of **\$10.00**. Chaperones (1 per 12 students) are \$12 per ticket and teachers (1 per class of 25 students) attend at no charge.

Providing this cultural event for your students is one of the high points in our performing season. This year new choreography and costumes will make this production even more exciting. To make reservations for one of these performances please complete the attached reservation request form and mail it to
